GREAT BOWLS OF FIRE CHILI COOK OFF is sure to be a fun cooking battle. Chili is defined as any combination of protein, ground, chopped or cubed meat or beans, cooked with spices and seasonings such as onion, peppers, and liquid such as broth. All chilis can be meatless, bean-less, vegetarian, or white chili. Chili contestants will be given a booth to set up their chili displays.

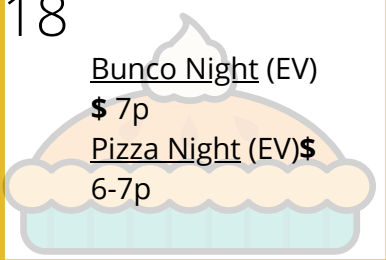

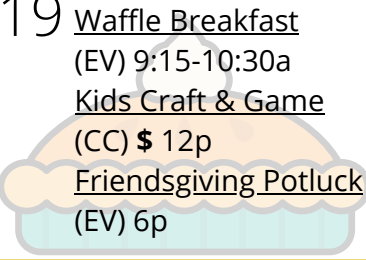

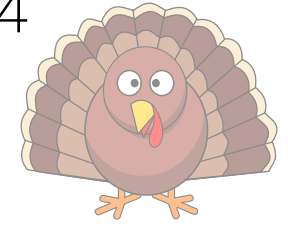

FRIENDSGIVING will be the Saturday before Thanksgiving. This will be a potluck. Registration is required. The Resort will provide some yummy turkey and meat. This is a free event, just sign-up up to bring mashed potatoes, stuffing, mac n 'cheese, yams, salad, veggies, bread, rolls, pies, cake or cookies.
